Public Comment

Axel Stevens – Petition for Annexation into the district.

Axel Stevens presented a list of signatures he gathered within the potential annexation area to the Board of Trustees. Ann sent that signature list to the Grant County Auditor to determine if the number of signatures met ten percent of the voting population. The area Axel Stevens petitioned for annexation includes approximately 12.6 square miles. Ann provided the Board with some information on mosquito habitat and the potential costs to treat that area.

Motion to advertise in the newspaper for the public hearing about the Petition for Annexation on July 24, 2024 at 6:00 PM made by Chad Nordberg. Seconded by Nathan Cox. Motion passed unanimously.
